

## Serial Number Guide

The Gemeinhardt Serial Number Guide is an online resource intended for Gemeinhardt owners to find the approximate ages of their instruments. Due to past technical difficulties, this guide does not contain all instruments built by the Gemeinhardt Flute Company. **Any numbers not contained in this guide have unfortunately been lost. We apologize for any inconvenience this may cause.**

The Gemeinhardt Serial Number Guide does not contain any retail or appraisal values, nor does the Gemeinhardt Flute Company provide appraisal services. **For an accurate assessment of your instrument's value, please contact a musical instrument dealer or flute repair technician.** Please do not contact Gemeinhardt for any information not contained in this document. This document represents all accumulated archival data for serial numbers. Thank you.
